**Case Detail :** Stacy was asked to work on a CMS proposal by Ranjith. He recently expressed that he brought her onto the proposal team because he was interested in her. At that time, she told her she wanted to keep their relationship professional only. Soon after, he vacationed and brought her back gifts from his trip. She did not accept the gifts and reiterated that she wanted to keep their relationship professional. Since that discussion, he has since told her that she is no longer needed on the proposal team.
